Position: Property Consultant

About PropertyScout

We're building the future of real estate in Thailand – a fully digital, AI-powered transaction platform that connects 6,000+ agents & agencies with 12,000+ clients every month. Backed by THB 300M+ in VC funding from top global investors, we're scaling fast with over 5,000 transactions closed per year and the most 5-star reviews in the market 

Why choosing PropertyScout:

- Up to 90% commission; one of the highest in the market
- Unlimited buyer/tenant leads for top performers
- Strongest listing database in the market with >100,000 owner listings; >45,000 availability updates per month
- Join the future of residential real estate in Thailand
 - with the long-term vision to build a transactional real estate platform to enable you to deliver a trusted real estate transaction and reduce your workload
 - Largest investment in tech & AI
 - >THB 300m in venture capital funding
 - Most transactions closed with >5,000 transactions per year
 - Most 5-star reviews of any company in the real estate market in Thailand
- Experienced property consultants start at higher lead levels and seniority
- Top performing property consultants receive sales admin, flexible work load and location, and other benefits
- Health insurance

What We're Looking For:

- Previous experience in the real estate industry is preferred but not required. Whether you're a professional or just beginning your journey, a genuine passion for real estate and strong drive are key. Fresh graduates are encouraged to apply.
- Strong communication and negotiation skills are essential.
- High attention to detail, well-organized, with a sense of urgency and a drive to get things done.
- But most importantly, we're looking for individuals who see this opportunity not just as a job, but as a career and a platform for personal and professional development.

Roles & Responsibilities:

- Advise tenants/buyers to find their perfect property at the best price and hassle-free, using our advanced in-house technology to find properties matching the tenants/buyers' needs
- Provide property viewing to clients and facilitate the successful closing of rental/sale agreements between the landlord/property developer and the tenant/buyer

- Build strong relations with buyers, tenants, landlords, property developers, and co-agents
- Continuously self-development to become the top property consultant in the market and overachieve KPIs

JOIN US TODAY If you're ready to unleash your potential and ready to start an exciting career journey with limitless possibilities, we invite you to join our team at PropertyScout.
